ABOUT THE COURSE:

Our training courses are delivered by highly skilled Beauty Therapists and Lash Perfect Professional, who have a wealth of experience, and will provide you or your staff with skill and confidence.

We offer 1 day initial training which lasts a full day, and combines a good balance of the essential theory, along with the intricate practical application. You can be assured of quality instruction that will become the basis of your progress towards becoming a highly skilled Lash Perfect professional.

As with all new skills, practice is of the utmost importance, as we require all newly trained lash professionals to complete a post training record before Certification.

Smoking is not permitted on the premises and especially before carrying out a treatment. Because treatment will be undertaken, normal standards of cleanliness will be expected, including short fingernails and professional work wear.

It will be necessary for a copy of an eye treatment qualification certificate to be supplied to the Tutor on the day (unless you trained at Phoenix)

A certificate will be issued which can then be sent to the appropriate organisation for insurance and registration purposes.
