

Beauty Therapy Training

City & Guilds Level 2 Beauty Therapy

These programmes have been designed to cover all the basic aspects of beauty therapy. They are comprised of nine units covering: Working in the industry; health and safety; communication; facials; waxing; manicure and pedicure; lash and brow tinting; and make-up.

The units are taught in a modular form to enable you to use the skills to build your own clientele within the work placements. There are no specific formal entry requirements, however consideration is given to communication skills, appearance and a mature attitude. It is important that candidates have a genuine interest in people and a desire to excel within the industry.

There are two programmes offered from Phoenix Therapy Rooms, Moulsham Street, Chelmsford from September 2008.

PROGRAMME - A

Monday and Tuesday Start date
9.30am - 3.30pm **22 September 2008**

36 weeks plus some work placement within a salon

PROGRAMME - B

Monday and Tuesday Start date
6.30pm - 9.30pm **15 September 2008**

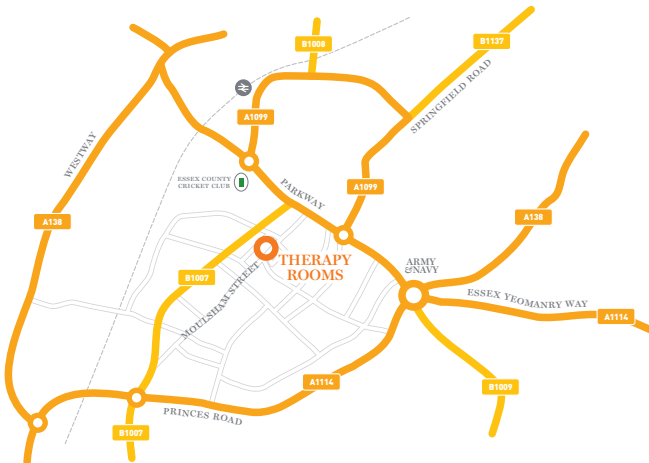

35 weeks plus one day a week work placement within a salon
